The Cauldron of Fear

YOU are Living Well

—the best Kilt Hunter of Bannockburn!

Your bravery and skill have won you many honors, but your friends, not boys of your age, tell you that your adventures have reached the limit. How can you have conquered any other mark of greatness than the Bannockburn army? But your quest continues, even as the Scottish warriors find their way to your home.

The next step of your Haggis-kilt quest leads to the Talbot Cauldron, the portal through which your quest passes under the ancient mountains. . . . And you confront the Legend of Talbot. But even as you approach the ring, the darkness around you grows brown for your arrival.

Choose your skills and weapons with care—the future of your country depends on it. If you survive, you may see them in further adventures.

ALSO AVAILABLE IN THE LIVING WELL SERIES:
